

Large

Fire and water resistant electronic combination safe

IN THE EVENT OF A FIRE, MASTER LOCK REPLACES YOUR FIRE RESISTANT PRODUCT

The Master Lock L-size fireproof and water-resistant security safe combines the best of Master Lock's security expertise with Sentry Safe's fire and flood protection expertise. It protects the most valuable items - jewellery, money, electronics, paper documents (A4 size), media and other family heirlooms - from theft,

fire and flooding. Its 3 large automatic steel bolts (60% wider than the average safe), its tear-resistant hinge and its electronic motorised lock make it highly resistant to attack. Its special patented construction guarantees a 1 hour protection against fire and 24 hours against flooding.

Special features

Product number	FPW082FTCML			
Description	Fire and water resistant electronic combination safe - L size			
 Protection against theft	Superior protection against attack: • 3 steel bolts of 2.5cm diameter that lock automatically when the door is closed • Tear-resistant hinge • Electronic motorised lock resistant to attack.»			
 Protection against fire	UL/ETL approved for 60 minutes of fire resistance at a temperature of 927°C. Protects documents, official papers and media (CDs, USB sticks, etc.) in the event of fire.			
 Protection against flood	ETL approved for immersion in 12cm of water for 24 hours. Guarantees the protection of documents and other valuables against the risk of flooding, even when the safe is fixed to the ground, thanks to its waterproof fixing kit included.			
 Locking system	Programmable electronic combination with backlit keyboard: 4 programmable codes + 1 factory code (cannot be changed)			
Features	• Metal handle integrated in the body of the door. Works like a car door: automatically returns to the initial position • Interior lighting, positionable shelf and door with key hooks • Waterproof anchoring kit included			
Construction	Impact resistant polymer body with patented fire and water resistant protection.			
Colour	Black			
Dimensions	Exterior (H x W x D): 34.8 cm x 41.7 cm x 41.8 cm	Interior (H x W x D): 24.4 cm x 32 cm x 29.2 cm	Door thickness: 91.4 mm	Body thickness: 48.3 mm
Capacity, Weight W/o Packaging	22.9 litres / 25 kg			
Batteries	Operates on 2 CR123 lithium batteries (included)
